

PASSERBY KILLED BY CONEY GUNMEN IN STREET BATTLE

Women and Children in Terror as Bullets Spatter Both Sides of Street

Bullets fired by gunmen who were fighting in a crowded district on Coney Island last night struck Alfred Russo, twenty-eight, No. 274 West 13th Street, Coney Island, who was passing a barber shop at No. 284 West 13th Street on his way home, and resulted in his death today at Coney Island Hospital. He received two wounds in his abdomen.

Other passersby, including many women and children, were driven in terror as the bullets spattered against walls on both sides of the street. One arrest is reported by the Coney Island police.

According to the police, the shooting followed a free-for-all fight in the shop, owned by Anthony Esposito. Residents of the block, most of them Italians, told the police that four men, a few minutes after they entered, overturned chairs and tables and smashed mirrors.

Then the four and Esposito ran to

the street. The four drew revolvers and sent bullets flying in all directions.

A few minutes later, the gunmen, their ammunition apparently exhausted, jumped into a Ford touring car and were driven away at reckless speed.

The police found women and children screaming and racing panic-stricken up and down the block. One of the calmer residents told the police the license number of the automobile and said that as the gunmen drove off he heard one of them say: "I am wounded. Don't take me to any hospital on Coney Island."

Russo was taken to Coney Island Hospital. Esposito disappeared, leaving his cash register well filled with money.

WOMEN HOLD CAMPAIGN DEBATE IN TOWN HALL

Republicans and Democrats Will Be Seated in Alternate Rows.

The campaign contentions of the Democrats and the Republicans will be aired at a public debate in Town Hall in West 43d Street at 2 o'clock today. The debaters will be women, the Democratic side being captained by Mrs. Winter Russell and Mrs. Anna Moskowitz Kloss, while the Republican forces will be marshalled by Mrs. William H. Vanamee and Mrs. Rosalie Leow Whitney.

The 1,500 seats in alternate rows have been equally distributed among the supporters of both sides. Whether the first row will be Democratic or Republican has not been determined. The women will go it alone, since Mayor Hylan has not been heard from in any reply to the challenge of the fair Coalitionists to meet Mr. Curran on the same platform.

IS YOUR BLOOD STARVING FOR WANT OF IRON?

Iron Is Red Blood Food—It Helps Put Roses Into The Cheeks of Women and Give Strength and Energy to Men—Why Nuxated Iron So Quickly Builds Up Weak, Nervous, Run-Down People.

Thousands of men and women are impairing their constitutions, laying themselves open to illness and literally losing their grip on health simply because their blood is thinning out and possibly starving through lack of iron. Lack of iron in the blood not only makes a man a physical and mental weakling, nervous, irritable, easily fatigued, but it utterly robs him of the virile force, that stamina and strength of will which are so necessary to success and power in every walk of life. It may also transform a beautiful, sweet-tempered woman into one who is cross, nervous and irritable.

Iron is absolutely essential to enable your blood to transform the food you eat into muscular tissue and brain. It is through iron in the red coloring matter of the blood that life-sustaining oxygen enters the body. Without iron there is no strength, vitality and endurance to combat

obstacles or withstand severe strains. Contrary to general opinion, lack of iron in the blood does not necessarily mean you do not have enough blood, but it means your blood is not of the right kind. To help make strong, keen, red-blooded people there is nothing better than organic iron—Nuxated Iron. Unlike the older inorganic iron products, it is easily assimilated, does not injure the teeth, make them black nor upset the stomach. No matter what other tonics or iron remedies you have used without success, if you are not strong or well you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained. Numbers of nervous, run-down people who were ailing all the while have increased their strength and endurance in two weeks' time while taking iron in the proper form. Nuxated Iron is now being used by over four million people annually, and the manufacturers' guarantee successful and entirely satisfactory results to every purchaser or they will refund your money. It is dispensed by all good druggists.—Advt.
